In 2016 the Annual IPSO Meeting takes place together with the SIOP congress in the beautiful and historic city of Dublin from 18th to 21st October.

IPSO Education Day on Tuesday 18th October at the Royal College of Surgeons, Dublin offers an international panel of speakers with sessions covering topics including central catheter access (open and interventional), surgical role in lymphoma management, surgical complications, minimally invasive surgery as well as case discussions of rare tumours in children. This programme will interest trainees and recently appointed consultants in particular.

IPSO Conference dinner takes place on 20th October, 2016 in the Columba Suite at the Spencer Hotel located beside the Conference venue at the Dublin Convention centre.

Registration for IPSO Education Day is free. To register please email the following details to paediatric.surgery@olchc.ie
