

# GDPR

(General Data Protection Regulations)  
What you need to know as parents and families

## WHAT ARE YOUR RIGHTS?

GDPR aims to protect data in businesses and organisations (such as Children's Health Ireland) in the EU, US and rest of the world

**INFORMED**  
Parents, guardians, families and patients (when age appropriate) are informed in clear and plain language

**CORRECTION**  
Right to request that data is corrected if factually incorrect

**DATA PORTABILITY**  
Right to transfer personal data from one electronic processing system to and into another

**ERASURE**  
Right to request that data is deleted if no longer relevant for purpose for which it was first collected

**ACCESS**  
Right to know what's been collected and how it's being processed

## WHAT ARE THE DATA OBLIGATIONS FOR ORGANISATIONS LIKE CHI at CRUMLIN?

**LIMIT**  
Data minimisation  
Purpose limitation  
Data retention  
Anonymisation  
Pseudonymisation

**RESPECT**  
Protect Access to Data  
Protect Paper Files  
Encrypt Emails

**PROTECT**  
Ensure Data Accuracy  
Respect data when transferring it

### WHAT'S A BREACH?

A breach of security leading to "accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to personal data"

## WHAT HAPPENS IF THERE IS A DATA BREACH IN CHI at CRUMLIN?

**PLAN**  
Plan not to have a breach

**INVESTIGATE**  
Investigate the data breach

**CONTAIN**  
Contain the data breach

**REPORT**  
If appropriate

**REFLECT**  
Lessons learnt

**ACT**  
Take appropriate action
